Upload Guide

This guide outlines the design upload process for all your outfit:

Files you need to upload.
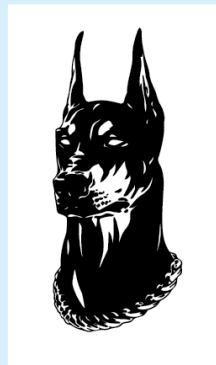

1. PNG
2. Manufacturers Mockup
3. Techpack(If applicable)

What do they look like

PNG: A transparent file of just your design, ask your designer to send your design in PNG.

This is a PNG File (No background)   This is not a PNG File (White background)

A Manufacturer's Mockup:

A manufacturers mockup entails the type of product, design, customization details, customization measurement and visual representation of the final look. It shouldn't be mistaken for a techpack

This is not a manufacturers mockup

It only shows the final look of the product

Brand: BXD	Colourways: 4(Black, Grey, Blue, Purple)	Customization: Screen printing, embroidery, DTG, DTF.
Product: T-shirts	Cloth design: Plain and Acid Washed	

01: Grey, Washed t-shirt with screen printing and embroidery

EMBROIDERY
Color Code: #000000

Screen Printing
Color Code: #000000 #000000

Washed grey

This is a manufacturers mockup

It not only shows the final look of the product but also
the type of product, design, customization, colorways and measurement of the product

Techpack: A Tech Pack, also known as specification sheets, is a set of documents created by designers to explain their design to a manufacturer so that they can turn this information into a finished garment. It serves as a blueprint of a final garment that includes information like detailed flat sketches of the design, materials to be used like trims and labels, measurement specs, size gradings, colorways, etc

Menswear Jacket (copy)

WINTER FALL 201819 MENSWEAR JACKET WOOL
